

JUNE 2020

DEPARTMENT OF MOTOR VEHICLES MONTHLY STATUS UPDATE

REPORT TO THE JOINT LEGISLATIVE BUDGET COMMITTEE
OF THE STATE OF CALIFORNIA

EXECUTIVE SUMMARY

The Budget Act of 2018 (SB 862, Chapter 449, Statutes of 2018) requires the Department of Motor Vehicles (DMV) to submit monthly reports to the Legislature regarding the state of field office wait-times and efforts to improve business processes.

June 2020 Highlights:

- DMV reopened its remaining field offices to the public on June 11 for customers with appointments and limited in-person transactions. The limited non-appointment transactions include:
 - o Paying registration for a vehicle impounded because of registration-related issues
 - o Reinstating a suspended or revoked driver license
 - o Applying for a reduced-fee or no-fee identification card
 - o Processing commercial driver license transactions
 - o Applying for a disabled person parking placard
 - o Adding an ambulance certificate or firefighter endorsement to a driver license
 - o Verifying a transit training document to drive a transit bus
 - o Processing DMV Express customers for REAL ID transactions, if time and space allow
 - o Vehicle verifications
- DMV resumed administering behind-the-wheel drive tests June 26. Customers with canceled appointments were automatically rescheduled.
- On June 30, 2020, Governor Gavin Newsom signed an executive order to further extend the temporary waiver of the requirement for Californians to renew their driver license or identification card in-person at a DMV field office if they had previously reached the limit of out-of-office renewals. The executive order extends the temporary waiver until the order is modified or rescinded, or until the State of Emergency is terminated, whichever occurs sooner.
- DMV unveiled a new and improved website at www.dmv.ca.gov, offering customers a quick and easy way to access services and information and to complete transactions online.
- DMV completed six Work Action Plan items.
- DMV made offers on 100 percent of its 784 new positions.
- DMV continues to provide essential services via mail, online, self-service kiosks, telephone, available business partners, and the DMV Virtual Field Office.
- As of June 2020, there are 8,155,476 Californians with a REAL ID compliant driver license or identification card.

REAL ID CUSTOMERS AND WORKLOAD

Cards Produced

As of June 2020, DMV produced over 9 million REAL ID driver license and identification cards. This includes new REAL ID cards issued, as well as existing REAL ID cardholders who received a duplicate or renewal card. Unlike new REAL ID cards, renewals and duplicates do not require an in-person field office visit.

Total Californians with REAL IDs

As of June 2020, there are 8,155,476 Californians with a REAL ID compliant driver license or identification card. The Department of Homeland Security extended the REAL ID enforcement date to October 1, 2021, in response to the COVID-19 pandemic.

DMV WORK ACTION PLAN UPDATES

DMV Express

DMV Express allows customers statewide to upload the identity, Social Security, and California residency documents necessary to apply for a REAL ID driver license or identification card prior to arriving at the field office. Once the customer arrives in the field office, they present the REAL ID documents to the field office employee for verification of authenticity and accuracy, and for processing of the REAL ID application. Scanning the documents prior to the appointment allows the department to process the REAL ID transaction quicker and more efficiently. DMV Express customers spend less time in a field office, allowing the department to serve more customers.

DMV Website Redesign

DMV unveiled a new and improved website at www.dmv.ca.gov, offering customers a quick and easy way to access services and information, and to complete transactions online. The new site features an intuitive, user-friendly layout focused on improving customer service by reducing clicks and highlighting the most popular services. DMV simplified and rearranged content to enhance the information presented on web pages. Customers can also get their questions answered online through Miles, DMV's virtual assistant, or the live chat feature, which DMV rolled out and enhanced in the months preceding the launch of the redesigned website.

Customers visit the DMV website more than 6 million times each month and complete nearly 2.1 million transactions. Online transactions continue to increase with the recent addition of more services and the Virtual Field Office, which allows customers to take care of DMV tasks that previously required an office visit.

Identity Management

DMV streamlined its identity management system for online services, providing more customers the ability to conduct their DMV business online, including customers without a Social Security number, who previously could not access online services. Customers now can securely authenticate their identity and utilize online services instead of visiting a field office. DMV eliminated unnecessary and redundant steps to improve the customer experience and created a process for customers that could not remember their driver license or identification card number.

Information Technology Infrastructure Refresh

DMV established a permanent, annual funding base for the incremental replacement of its aging information technology infrastructure. This industry best practice life cycle management process ensures a secure and sustainable infrastructure platform for DMV's mission critical services and provides DMV employees with efficient information technology tools to provide efficient services to the public. It allows DMV to continue to provide reliable, secure, and modern network communications, to secure efficient

server environments, to provide flexible data storage, and to update desktop and laptop computers for service delivery.

Self-Service Kiosk Expansion

DMV completed the expansion of its DMV Now self-service kiosks. Expanding the number of convenient locations and extending business hours at retail and commercial locations increases DMV's ability to meet customer needs and reduce field office traffic. There are 365 DMV Now kiosks statewide where customers can complete a registration renewal, file for planned non-operation, request their driver record, request a replacement registration card, request a replacement sticker, request their vehicle record, pay a reinstatement fee for suspended vehicle registration, and add or remove an affidavit of non-use or update their vehicle insurance.

STAFFING

Hiring Status: DMV has made offers on 100 percent of its 784 new positions. The following chart reflects the status of these hires as of June 2020.

Region	Number Authorized	Offers Made	Awaiting Fingerprints	Started	On-boarding In-Office Training	Expedite In-Office Training	Basic Driver License Training
I	51.0	51.0	0.0	51.0	40.0	42.0	51.0
II	124.0	124.0	0.0	124.0	113.0	113.0	113.0
III	87.0	87.0	0.0	87.0	87.0	87.0	87.0

Total	784.0	784.0	0.0	782.0	670.5	615.5	691.0

On-boarding Training Modules

- Start Here/Concierge
- Appointment Check-in
- Cash Handling
- Drive Test Check-in
- Single Station Inventory
- Touch Screen Terminals
- Four pillars of superior customer service

Expedite Training Modules

- Driver License Record Information Requests
- Vehicle Registration Information Requests
- Return Knowledge Tests (non-commercial)
- Photo Retakes
- Personalized License Plate Assignment

All newly hired staff are expected to begin the On-boarding Training Module within two weeks of initial hire. The module takes place over two-weeks and is intended to introduce new hires to many of the support functions of the field office as well as superior customer service. Employees are immersed in the On-boarding concepts for two to four weeks until they demonstrate application of the skills. Only then do they proceed to the second module, Expedite In-Office Training.

Expedite Training introduces new hires to the work processes that are performed at the Expedite Window. This module is one week, and, at its conclusion, a new employee should be able to work independently at the Expedite Window. Both the On-boarding and Expedite Training provide a solid on-the-job knowledge base for new hires prior to their formalized classroom instruction.

Absenteeism: The department is monitoring unplanned absences and fluctuations in absenteeism related to COVID-19.

CONTINUED PROCESS IMPROVEMENTS

There are no updates for the month of June 2020.

INFORMATION TECHNOLOGY

DMV NOW Kiosks: DMV is increasing usage of its self-service kiosks in order to reduce the number of customers who wait in line for services. There are 365 DMV Now kiosks statewide: 98 in DMV field offices, 249 in retail locations, 1 library, 1 at the University of California, Irvine, 1 in the Mendota City Hall, 1 at DMV's Sacramento Headquarters building, and 14 in Northern California AAA locations.

Customers can complete the following transactions on a kiosk.

- Add or remove an affidavit of non-use or update vehicle insurance
- Driver record history request
- File for planned non-operation
- Pay a reinstatement fee for suspended vehicle registration
- Registration renewal
- Replacement registration card
- Replacement sticker
- Vehicle record history request

DMV continues to evaluate additional ways in which the self-service kiosks can be used to allow customers to complete their DMV transactions.

Online Transactions: DMV continues to evaluate additional transactions that could be performed online, including through its new Virtual Field Office.

WINDOW HOURS

DMV reopened its remaining field offices to the public on June 11 for customers with appointments and limited in-person transactions.

Moving Average of the Proportion of Actual to Max Window Hours: The following figure shows the 10-day moving average of the proportion of available window hours recorded in use on a daily basis for the prior six months¹. The 10-day moving average is calculated by averaging the daily proportions for the current day and each of the nine days prior². Each individual line represents the moving average across all offices in a given office grade. The maximum available window hours was calculated based on the number of available transaction windows, multiplied by the number of hours in a normal business day for that office, taking into account any extended hours offered at a location.

¹ The window hour statistics here include data from both appointment and non-appointment queues but exclude data from Saturdays. During the month of June, Saturday service was suspended in those field offices open to the public.

² All 10 days are weighted equally in the calculation of the average.

Percentage of Actual to Maximum Window Hours: This table presents the same information as the figure above but aggregated to the month as a whole.

	Percentage of Actual to Maximum Window Hours					
	Jan-2020	Feb-2020	Mar-2020	Apr-2020	May-2020	Jun-2020
Grade I	77%	79%	71%	0%	11%	50%
Grade II	86%	85%	73%	0%	19%	45%
Grade III	84%	83%	70%	0%	36%	44%
Grade IV	85%	83%	68%	0%	35%	45%
Grade V	78%	77%	62%	0%	33%	43%

Statewide Monthly Average of Actual to Maximum Window Hours: This chart presents the same data, but aggregated to the state as a whole, and reporting on the vertical axis the raw number of window hours.

WAIT TIMES

DMV reopened its remaining field offices to the public on June 11 for customers with appointments and limited in-person transactions.

June wait times for non-appointment customers averaged 16 minutes.

Average Wait Time for Non-Appointment Customers – Statewide:

Average Wait Time for Non-Appointment Customers – Monthly Top 20 Offices:

Average Wait Time by Grade – Statewide: The following tables show the wait times for various grades (sizes) of field offices. Customer volumes decreased due to the service limitations and subsequent closure of field offices in response to COVID-19.

- Grade I/II offices are small, mostly rural offices, serving an average of 300-1,200 customer per week.
- Grade III offices are mid-sized offices, serving an average of 1,500-2,000 customers per week.
- Grade IV/V offices are large, mostly urban offices which serve an average of 2,000-3,300 customers per week.
