New Information

The Private Carrier of Passengers (PCP) program was transferred to the Department of Motor Vehicles (DMV) from the California Public Utilities Commission (CPUC) effective July 1, 2018. Any workload associated with PCP will be done in the Motor Carrier Permit (MCP) Unit at DMV headquarters.

Procedures

Direct any questions pertaining to PCP to the MCP Unit public line at (916) 657-8153. View any PCP new information, forms, and additional requirements at www.dmv.ca.gov by entering PCP in the *Search* field.

Background

New legislation provided several reforms of the operations of the CPUC, including the transfer by July 1, 2018, of four transportation-related functions to other agencies or jurisdictions.
